

Community clean-up
day set for April 27

The Village will be allowing use of the roll-off located at the recycling site on J Street at no charge that day only. This will be available to anyone, regardless if they are paying customers, to get rid of unwanted junk that has

been accumulating over the winter months.

Branches and yard waste may be taken to the Village landfill east of Stapleton.

Dried paint cans may be placed in the dumpsters.

Chamber will be providing free trash bags.

More information will be available as plans are solidified.
