Hills were still white with hail Tuesday morning after an isolated storm hit at the Logan-McPherson County line west of Stapleton. Those receiving the most damage was Jim Beckius, Myron Bakewell and dryland corn owned by Red Barner, and an irrigated pivot farmed by Robert Joedeman.
McPherson County High School has been designated by the State Board of Education, as the site for an experimental in how "necessarily small" school districts can meet heightened expectations for education.

Over The Hills

J.R. Trumbull

Quote: Life asked Death, "Why do people love me and hate you?" Death replied, "Because you are a beautiful lie and I'm a painful Truth."

(I didn't create this story, but loved it when I read it and wanted to share)
The 92-year-old, petite, well-poised and proud lady, who is fully dressed each morning by eight o'clock, with her hair fashionably coifed and makeup perfectly applied, even though she is legally blind, moved to a nursing home today. Her husband of 70 years recently passed away, making the move necessary.
After many hours of waiting patiently in the lobby of the nursing home, she smiled sweetly when told her room was ready. As she maneuvered her walker to the elevator,

I provided a visual description of her tiny room, including the eyelet sheets that had been hung on her window. "I love it," she stated with the enthusiasm of an eight-year-old having just been presented with a

THE BEST IS YET TO COME

You never know what's just ahead,
Or what's around the bend.
It's all an adventure in life
But a lot on you it does depend.

God has a plan for everyone,
He can build on past mistakes
And make a wonderful future
From what others wouldn't take.

Brambles, misfits, and rubbish
Compost into the richest soil.
The Master is in charge,
Join Him in the toil.

The best is yet to come!
Always look ahead!
Stand strong at Jesus side,
Don't faint away with dread.

Yes, the best is yet to come!
Doing our Savior's will.
Dwelling in Heaven's kingdom
It will get better still!
